1. Who will stop looking for a blessing and become the blessing?
Who will see the handwriting on the wall for blessing-seekers?
Who will mature and see Zion to become the blessed, the blest, the blessed; yea the blessing Israel is to the world, redeemed and fulfilling her rightful role as My people of the Covenant, New?

2. Who can see what I've said?
Who can be what I've said?
Who careth for My brethren, the soul of?
Who careth for My word of danger not but daggers into the heart of the immaturity-sought? Not like kingdom of the world daggers, but that which prompts action must, or forfeit presenthood of only Me and what I am doing and moving in and want all faithful in Me to participate in fully, surrendered. I love you.

3. Who can see the Valerie's of My Kingdom? The Sharron's, Grace's, and who will propel them in love? Who will? Who can? Who will see their role as I Am and not look for constant blessing to continue in their role; foul'd medicine not, religion and roles of beliefs that make dependent/co. I love you.

4. Who will mature/reform? Who will wet clay be/remain and who will transform light into darkness not, blessed; but be Light that transforms darkness? Yea in perfect love. Yea greater love hath no man than to lay his life down for his friends.
For who? Where? Life? Oh see.
Behold the cost/prize.
I come quickly and My reward is with Me; and in everlasting reign I do not whisk you off to somewhere else. How foolish, how foolish; but yea My reward is with Me and who is Me, are you not? And am I not in you and throttled back/set free, I am by you, and what are you doing in/with your temple?
See.

5. Why are you one of regard? Why thinkest thou that thou art mindful of such righteousness when, if you **empty yourself of that stuff-not,** you surrender to the thought-real not, but the truth real.

6. Who wants what I have?
Who wants what I am?
Who will surrender all for to have/become Me/My all?
Who will start schools to show/share/declare what I've given them?
Who will share the heartless not with rending, but with repairing/making new?

7. Who will be the word of My mouth?
Who will be the word in My mouth?
Who will be the mouth of My word, the word of My mouth, and let healing crystal water liquid love flow from morning till noon and never stop/cease again?

8. Who will reign with the mighty? The elegant eloquent master of ceremonies who love a crown with accolades, or who walks in the streets and listens for My directions?

9. Who will receive honor from only Me/Father?

10. Who will receive/learn from Me how meek and lowly I Am/Father is?
Who can bear/stand it?

11. Who will remain bowed over no longer in sorrow *but stand in leadership of thousands, yea in/on planets many/numerous and who can control flight without atmosphere and fuel?*
I see the lamb. The lamb is the light. Where is Father and who is fuel and how is the enemy known if both look like light?

12. Yea into Me for maturity or else, else what? Sudden destruction or, who has mercy on strangers and why didn't/don't you come into Me and know Me and not just seek My blessing oh wild frontier not, woman/man of sorrows, bowed with despair and calling it holiness. I love you yet still and will not, not; forever will.

13. Who can define outer darkness, still, time, atmospheric pressure, **and where their wings are, now that they are not?**
Seeking a land where? Strangers and pilgrims where?

14. And have you found/located/grown your wings?
And where is your/My mantle, or seekest thou only thy own?

15. Oh I love you My children, so little, so immature, rotten some.
Who are the rotten? Those who turn others from Me in their intentional regard for their own manner/matter. I love you all.

16. Who will lay down their life to receive life to the full, the full, to be bread to others, yea letting others eat of your tree of life? Yea **healing/leading them to tree of life be, for others, yea all?** Will you see My dictates/doctrine not, but My living word made flesh that you are John 1? Oh Genesis 1 where are you? Open your/their eyes PLEASE!

17. **I love you and this WeekWorks (ww15) reigns in peace unscripted, unprecedented.** I love you. I am peace. Rest Sabbath'd. Sabbath'd rest. **See what I proclaim not but declare over each of you in/this WeekWorks 15.** I love you.
Emblematic not of problems but yea **of path now light'd.** I love you all and; **Who is My Grace/Dot/appearing and who surrenders to London/leadership and what will London do without them?**

18. Yea **raising Grace'd ones to see their leadership** now all over, far and wide, and who is Chris and Mary? Where is Fred and Clare and how all this now unfolds is all in My hand, surrendered one; Father of many nations, leadership of 1. I love you.

19. Merge the lambs. Thank you. Caught it you did/have.
Unity of 1.
1 cometh forth in the Land of Nod not; 1, Land of 1 given to 1, seeing 1, yielded to 1; and 1 and 1 make 10,000 not, but 10,000 many times make 1. Watch Me.

20. Europe changes and bolsters the economy of what? Heaven.
And who can know the fullness of Father?
Yea, all.
It is given of Me to the Father, by the Father, for the Fathers who all bring forth our Father in fullness, who will; who seek not a blessing but My fullness and shaking hands not and stabbing roommates/friends, but laying down their life for their friends/mates/countries/nations here and far, there and farther. See. My economy overrun not, but never stops growing, and never knows lack/outage. I love you.

21. Bulgaria blossoms, watch Me. See Me flourish the Falklands and where is Spain? Flamenco'ing with Me. Yea see and believe not for blessing, but surrender into the Father/Kingdom of 1 this day and all be/receive; and who/what can be more cataclysmic than Me/My fullness appearing in My/your

temple and seeing Me on your throne realize/grasp in surrender that I am you? I love you.

22. Psalm 110 ingests no one but brings forth the matured.
See open and "hanging around," "open," forever, not.
Yea now is the appointed time; late, and fleeting.
Sorcery not, center of Father's heart.
I love you each one.

23. WeekWorks explodes and Residency 1 repairs not the old but ushers in the new in lecturestantaneous. Laugh with Me you do/will, please, even now.

24. Oh I love what I'm doing, My New Covenant is so full, free, and reservoir eternal. I love you crystal one, 1. I love you all. I give you Me.

25. All matures momentarily, for the ready, trimmed, burning, reservoir'd.

26. Dead: alive. This moment not. BANG!
I love you all.

27. London see/consider please. I new things do and who chooses to walk not by sight but My radar alone, needing no other, but having/being the blessing/Light? I love you all.

28. All matures in Me.

29. See what all I have said/served and choose this day your path of recognition not, but your reward is where and how seen, accessed? In Rest/Me, Father's heart/house. Yea, you where?

30. Thank you surrendered ones.
I lift and now 1, never co-opting with competition again.
Love covers/drips/oils every word/thought and must, is.
